HMC Enterprises

MEMO

To: Our Dealer Partners **Date:** Aug 30, 2019
From: Tony Valvo **Subject:** HMC MAP Policy

Effective September 30, 2019, HMC Enterprises; Howard McCray and Orion by Clabo will implement the following MAP Policy.

Introduction and Policy Overview

HMC Enterprises has a long history of providing high quality foodservice and retail equipment. Over the past 100+ years, we have worked with and relied upon a growing number of food service equipment dealer-partners to educate operators about the benefits of owning Howard McCray and Orion by Clabo equipment.

Our success is tied to the success of our dealer-partners, and in order to ensure that all our resellers can more effectively sell our products and continue to support our brand, we are implementing our Minimum Advertising Price policy (“MAP Policy”).

Policy Statement

HMC Enterprises, at its sole discretion, reserves the right to discontinue doing business with any reseller that advertises any product(s) covered by this MAP Policy for a price that is less than fifty percent (50%) of the product’s List Price as shown in the current price book for Howard McCray and Orion by Clabo; and less than 63.55% of current list price for Fogel USA branded products.

General Guidelines

HMC Enterprises recognizes that resellers are free to make their own decisions to advertise and sell any product at any price they choose, without consulting or advising HMC Enterprises. Similarly, HMC Enterprises will exercise its right to make its own decisions regarding the accounts eligible to purchase HMC products.

This MAP Policy applies to advertised prices, not the price at which MAP products are actually sold or offered for sale to an individual in-store or over the telephone.

Advertising Guidelines

The MAP Policy applies to all advertisements of MAP Products in any and all media, including but not limited to flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, television, radio, and public signage, as well as Internet sites, social media sites, apps, or any other electronic media.

Website features such as “click for price”, automated “bounce-back” pricing e-mails, pre-formatted e-mail responses, forms, and automatic price display for any items prior to being placed in a customer’s shopping cart, and other similar features are considered to be communications initiated by the dealer and thereby constitute “advertising” under this MAP Policy.

It shall not be a violation of this MAP Policy to advertise that a customer may “call for price” or “email for price”, or to use similar language, so long as no price is listed.

This MAP Policy also applies to any activity which HMC Enterprises determines, at its sole discretion, is designed or intended to circumvent the intent of this MAP Policy.

Policy Enforcement

In the event of a MAP Policy violation, all reseller accounts shall have a period of forty-eight (48) hours to bring advertising into compliance or HMC Enterprises reserves the right to cancel any pending orders and cease filling any new orders for the product(s) in violation of this MAP Policy for the following periods:

For an initial violation, not corrected within 48 hours, HMC Enterprises will cancel all pending orders and cease filling any new orders for a period of thirty (30) days.

For a second violation by a reseller within one (1) year of the initial violation, HMC Enterprises, at its discretion, reserves the right to cancel any pending orders or cease filling orders for a period ninety (90) days. Repeated infractions of this MAP policy may result in termination of dealer status.

HMC Enterprises will continue to sell to the reseller any other brands for which no MAP Policy violation has occurred.

HMC Enterprises is solely responsible for determining whether a violation of the MAP Policy has occurred.

Resellers are expected to provide reasonable cooperation in any HMC Enterprises investigations regarding possible MAP Policy violations. Hindering, obstructing, delaying, or otherwise failing to cooperate with HMC Enterprises MAP Policy investigation is a violation of this MAP Policy.

The MAP Policy will be enforced by HMC Enterprises in its sole discretion and without notice. Dealers, distributors, resellers, have no right to enforce the MAP Policy. Violations of this MAP Policy may result in any of the aforementioned sanctions up to and including termination of our business relationship, as well as any available remedies at law.
