Vented design minimizes dust accumulation, allows a free circulation of air, helps prolong food life and permits greater visibility of stored items

Easy to clean polymer shelf mats lift off for cleaning by hand or dishwasher (use 2E7477 rack)

Smooth surface quickly wipes clean reducing the risk of cross-contamination

## Don Gard<sup>2</sup>™ Shelving

### Metro

- Robust design provides strength and rigidity—holds up to 800 lbs per shelf (up to 600 lbs over 48")
- Built-in antimicrobial protection inhibits bacteria growth
- Casters add greater flexibility and easy mobility
- 12-year warranty on rust and corrosion on shelf frames and posts

Specialized knives used for the right application make food preparation safe and easy.

**A. Cook's Knife**

The most popular, multi-purpose knife in the kitchen. Use for coarse or fine chopping, dicing and mincing of any kind of food. The deep handle grip is designed to protect the knuckles.

**B. Santoku Knife**

Designed for precision tasks like mincing and fine slicing. The blade has shallow oval-shaped depressions along the cutting edge to keep foods from adhering to it.

**C. Bread Slicer**

The serrated edge is perfect for slicing loaves of bread without crushing the loaf. Also ideal for roasts, ham and other foods with a firm, crusty exterior and soft interior.

**D. Boning Knife**

The curved feature gives added flexibility for separating skin and bones from fish or raw meat.

**E. Utility Knife**

Excellent for cutting sandwiches. Use the other side of the blade to spread condiments.

**don SofGrip® Professional Cutlery**

- Chromium carbon steel alloy blades
- Soft, double-molded handle is designed for a perfect no-slip ergonomic grip
- Dishwasher safe

DON#	Desc	Blade Length	Qty

D. 1002678	Boning Knife	6"	1 ea
1002686	Scalloped Utility Knife Pointed Tip	6"	1 ea

**F. Paring Knife**

The most versatile of knives for slicing, slivering, peeling and mincing.

**G. Offset Sandwich Knife**

Offset handle prevents knuckles from hitting cutting surface.

**H. Duo-Edge Roast Slicer**

Hollow-edge blade reduces the drag on the knife, resulting in a paper-thin and an incredibly smooth cut. The tiny grooves also allow food to slide off the knife without sticking.

**J. Scalloped Roast Slicer**

Slice larger cuts of meat such as roast beef, boneless roast, standing rib roast and other hot and cold meats.

**K. Cook's Fork**

Holds the meat securely in place while carving—an essential complement to the carving/slicing knife.

**3 Piece Set includes one of each:**

- 3¼" paring knife
- 6" boning knife
- 10" cook's knife
- soft roll case

**7 Piece Set includes one of each:**

- 3¼" paring knife
- 6" utility knife
- 6" boning knife
- 8" cook's knife
- 9" offset sandwich knife
- 12" duo-edge roast slicer
- 12" sharpening steel
- soft roll case

## DON Bonus!

### Moisture Module

Provides higher humidity at a higher temperature and delivers five times the moisture generating power of a standard "dry" cabinet. Insulation Armour™ can help reduce energy by up to 50%. Combining the moisture module with insulation armor keeps food hot without drying it out at a more efficient energy cost.

Easy-to-use dial controls temperature

Large digital thermometer

Control amount of moisture when holding

## **don** Insulated Holding & Proofing Cabinets
