Elevate The Experience

Your establishment is more than your menu. It's your **brand identity** and your **link to the surrounding community**. Why not connect with them by showing off your creativity in a way that **enhances your atmosphere** and helps your customers create new memories that will last a lifetime? When you elevate your game, you **elevate the diner experience**. Are you ready to put your signature on the table?

“At Walk-Ons we focus on delicious, crave able food and creating memory inducing moments for our guests”. Our partnership with Edward Don and Company and the amazing service their team provides allows us to do this daily without pause. DON offers our Chefs and Managers peace of mind, allowing them to focus on the daily operations of caring for our guests and staff.”

A legendary Sunday favorite and “hair of the dog” cure, the **Bloody Mary** has come a long way from its roots as an old folk remedy consisting of vodka and tomato juice. Looking to spice up your brunch? Don’t stop at the celery stalk and olive skewers. **Turn your Bloody Mary into a meal with sliders, seafood, ribs and even sashimi!** It’s the best of both worlds all in a single glass!

While not as glamorous as their culinary counterparts, **food safety, freshness and integrity** are the most important factors in any successful foodservice operation, regardless of the location. After all, the first step toward any memorable dining experience is **eliminating worry in the first place**. But just because your guests aren't at your table doesn't mean you still can't show off your brand identity. **Be unique with your labeling** and bring a little bit of your atmosphere from your dining room to their living room. What's more elevating than that?

Come Together Right Now!

Your menu is definitely a vital part of your establishment and can set the stage for a memorable meal. But equally as important is **the atmosphere in which you present it**. With shared dishes becoming an increasingly popular way to bring diners together, **having the right furniture in the front of your house** will allow your guests themselves to elevate the experience all on their own.
